

Stage 3 'Learning From Home' - Week 1, Term 2

'Learning from Home' in Term 2 will include teacher scaffolding and more detailed modelling and instruction through comprehensive lesson plans. This will help make the 'At Home Learning' experience more family friendly. For many lessons, teachers will share explicit teaching videos or notes to help you understand the steps of each lesson. There is then an opportunity to practice these skills/concepts independently. These videos and resources will be uploaded onto Seesaw. The timing that is specified is a guide. Students may require more or less time to complete tasks.

Essential Task

Essential Tasks are important and are required to be completed.

Teacher Video

This symbol means the lesson is an explicit teaching lesson. There will be a video file from your teacher to accompany the lesson.

Optional Task

Optional Tasks are not compulsory but are encouraged to be completed if possible.

Student Activity

This symbol means the lesson requires the student to practise the learning or skill from the previous day's lesson.

Upload work to SeeSaw

This symbol means that your teacher has requested you to upload your work to Seesaw

Record your Response

This symbol with the  means that your teacher has requested you to upload your audio/video/bookwork to Seesaw

All resources that you will need are available to access on your child's Seesaw account to complete the following lessons:

- ★ **Explicit Teaching** - these lessons will include a lesson plan to follow and a video/audio file with explicit teaching and lesson instructions.
- ★ **Practice previous day's skill/concept** - these lessons will include a lesson plan to follow and are designed to practice the previous day's learning.
- ★ **Revision** - these lessons are designed to consolidate your child's learning for the week.

English

The English session will run for approximately one hour each day. It will include a combination of spelling, grammar, reading, writing, comprehension and speaking and listening tasks and activities. This is an essential component of At Home Learning. You may be required to upload a work sample that will be shared with your teacher. You may be required to upload a work sample for your teacher to view and give you feedback on.

Maths

The maths session will be following the 'Origo - At Home' program. The weekly plan contains activities for each day, along with digitally accessible or downloadable resources, designed for delivery by a caregiver. These resources complement the mathematical concepts and skills your child is learning at their year level. No log-in is required. Lessons will be broken up into five sessions, over the week. As follows:

Monday	Tuesday	Wednesday	Thursday	Friday
Pupil free day	Pupil free day	Watch and talk	Hands-on Maths	Problem solving Practice (extra lesson optional)

Themed Tasks

Science: Stage 1 - Term 2 Science topic is **Material World - Changes in Materials**

History: Stage 1 - Term 2 History topic is **Australia as a Nation**

STEAM: Steam lessons will align with the Science or History topics.

Creative Arts: Art and craft activities.

Wellbeing: These lessons will include guided meditation, and Friendship lessons which can be accessed in your URSTRONG Family Account.

PDHPE: Fit Futures has a Youtube channel where you can access PE lessons online. A Wellbeing Journal will be sent home for your students to complete activities in.

The first week of Term 2 themed tasks will be small Seesaw tasks set by teachers to familiarise and upskill students in using Seesaw.
