2020 Class Placement and Structure

During Term 4 the school spends a lot of time planning the class structures, staffing and class allocations for the following year. We have started planning classes for 2020. To do this as best we can, we need to know about children who may not have enrolled to begin Kindergarten, or anyone who is leaving for another school. Please contact the school office on 93616730 or email the school to let us know.

Many factors are considered when grouping children into classes for the next school year and it is never an easy task to get it right for every child. Besides the Department's guidelines about the numbers in each class at different year levels we also consider:

- academic achievement levels
- special needs & medical issues
- relationships that should be split or continued behavioural issues or concerns
- numbers of boys and girls in a class
- teacher allocation

If parents have particular concerns or issues about the placement of their child for next year, now is the time to let me know so we can consider this information when forming classes. Coming to discuss a child's placement next year once classes have been finalised is too late. We always undertake to do the very best we can for every child. Please remember it is not always possible to meet all requests.

It is not appropriate to make specific requests that involve other people's children or for a particular teacher to teach or not teach your child's class.

By the end of Term 4 we will have tentative class structures developed, but as we need to confirm enrolments early in Term 1 2020, classes and teachers will not be announced until next year. Please email me; lisa.larkin@det.nsw.edu.au or the school by **Friday 22 November** with any information that you feel should be considered regarding your child. I'm unable to individually acknowledge requests as they are considerations and please understand that late requests may not be able to be considered. Once classes are formed I like to have them finalised with no changes unless in very exceptional circumstances. I appreciate your understanding that moving students may cause huge disruption for all other classes across the grade or stage and does not often solve the issue.

P&C Cake Stall at Paddington Markets

This coming Saturday 2 November the P&C are hosting a cake stall at the Paddington Markets. Cake Boxes will be sent home this week. Any lovely baked goods are greatly appreciated, please fill your box and bring to school on Friday or drop at the stall on Saturday. They are also in need of some extra volunteers to help on the stall. Please click on the link below to join the roster:-

21-October-2019

Dear Paddington Public School Parents and Kids, it's hard to believe that we only have 6 weeks until our Fun Family FUNDRAISER.

P&C Team has partnered up with "School Run 4 Fun" & is working hard to set-up a running/walking track @ The White City 30 Alma Street, Paddington on Saturday 30-Nov-19 @ 2-6pm. Tickets for the event are sold via Flexischools and one tickets covers the whole family ... you can even invite your grandparents!!!

Also, if you have a best friend who would like to join but is not part Paddington Public School Family – bring them along and for an additional \$10 they can join the colour run ☺

On the day, we will have:

- Jumping Castle for little kids
- BBQ for everyone, Smoothie Bar & Ice-Cream Truck
- Parent Band & much more

Included is a sponsorship form for each student, the form has a unique code which should be used to complete an online registration. Online registration will track sponsorship funds and allow kids to order prizes based on their fundraising goals and achievements. If you need another form just let us know by emailing paddingtonpandc@gmail.com and we will get it out to you.

Parents/Grandparents, if you are able to help on the day with BBQ or Smoothie Bar, attending jumping castle, or minding one of the colour explosion stations – please add your name to the Roster:

<https://docs.google.com/spreadsheets/d/1ewLNxuT8Cy5cXrJHz08B37SEKSPiMorNhSuaGocn3EU>

... AND remember to wear a white t-shirt that you can dispose after the event!!!

Thank you and looking forward to a successful event!
