

# Paddington Public School

## Newsletter

Term 3, Week 9

15 September 2020

### P&C AGM & Meeting

The P&C Meeting planned for tomorrow evening has been postponed. A new date and more information will be advised once the P&C provides us a new date.

### Leaving PPS for 2021

During Term 4 the school spends a lot of time planning the class structures, staffing and class allocations for the following year. We will begin planning classes for 2021. To do this as best we can, we need to know about students who will be leaving PPS. If your child will be going to another school in 2021, please email to [paddington-p.school@det.nsw.edu.au](mailto:paddington-p.school@det.nsw.edu.au) to let us know. Your email will be treated with strict confidentiality.

### Head lice

We have had a few reports of Head Lice in recent days. Can you please check your child and family members scalp carefully for live lice or nits (eggs), particularly around the ears and back of head and treat all hair in your household as soon as possible and follow up the process within seven days. Many head lice infections cause no symptoms, with less than half causing an itch, so do not rely on itching or scratching as an indication that your child may have head lice.

**Head lice and nits are not a new problem. We can only keep them under control through regular home checking and treatment when necessary.**

Children who are found to have head lice or nits at school may be asked to be collected from school until treated.

### Virtual Tour

If you have a neighbour or friend planning to enrol for Kindergarten next year, and they would like to know more about our school, please let them know we now have a virtual tour on school website: <https://paddington-p.schools.nsw.gov.au/>

### School Uniform Shop

The School uniform shop will be closed Thursday 17 September, orders only available by order. The shop will be open Thursday 24 September from 8.40am – 9.15am.

### Water Bottles

With the weather is warming up, we are asking all parents to remind their children to bring a drink bottle to school every day. COVID guidelines and restrictions do not allow us to make the bubblers available for students. Students can use the taps available on our school premises to refill their water bottle throughout the day. As a large number of drink bottles make their way to Lost Property every day could parents please make sure that your child's drink bottle is clearly labelled with your child's name and class?

### Vacation Care

Kids Capers are currently taking bookings for September/October school holidays. Please click on link for more information: <https://www.kidscapersoosh.com.au/vacation-care>
